

Set your device language

The device language is typically set during device setup, but should it need to be adjusted after setup, follow these steps:

1. Open **Settings**
 1. Either swipe up from the home screen to display the app drawer, and select settings, or
 2. Swipe down from the notification area and tap the settings icon present in the notification panel.
2. Tap **System**
3. Tap **Languages & input**
4. Tap **Languages**
5. Select the language you would like to set as default
